### So much to show - so little space...

The desire to keep this newsletter short means you will have to **click on the varieties in the lists to see the details.**

Alternatively just wander into the Collection via the **master list for 2008** to see more...

Having already given a few hints to the lovelies we will have for sale this year, we have selected another handful to highlight for specific reasons:

#### Sea Gulf Stream

This variety is simply stunning with its large, gold, piecrust-edged leaves.

#### Lederhosen

This lovely variety has very smokey leaves that twist at the tip, it also has fragrant lavender flowers.

Key Lime Pie  
 Lederhosen  
 Little Red Rooster  
 Lullabye  
 Magic Fire  
 Manhattan  
 Mardis Gras  
 Marge  
 Medusa  
 Memories of Dorothy

 Restless Sea  
 Small Parts  
 Sugar and Spice  
 Sun Worshipper  
 Sweet Innocence  
 Valley's Chute the Chute  
 Valley's Vanilla Sticks  
 White Dove  
 Yesterday's Memories

Alongside the listed varieties, there are many more new additions to our collection - see the updated [Collection listing for 2008](#) and the various listings we create to help you choose specific varieties.

2007 was an excellent year and it enabled us to splash out on many more new varieties than we usually select. Naturally this has meant a lot of work to update the website and listings for 2008, and we will have a lot of leaf images to capture over the summer. BUT that is not a hardship when compared to having to decide which varieties will have to stay behind at the nursery because we cannot fit everything onto the lorry for the shows!

**Hope you enjoy browsing all these lovely new varieties.**

**Popcorn**

Visitors to the Harrogate Autumn Show last year were able to see this lovely new variety in our display.

**Essence of Summer**

The leaves on this variety are fabulously showy and it has near white, fragrant flowers.

**Magic Fire**

We are delighted to be able to offer this sport of Sagae with its glorious colouring.

**Raspberry Sorbet**

This lovely hosta has shiny leaves, red petioles and deep purple flowers with white margins - a beautiful combination.

**PSST...** you will notice some new varieties are more expensive this year.

That is because new varieties are costing us more to obtain. Our average price per plant remains the same as last year so you know you are getting excellent value across the whole range of our sales stock.

**Next month:** The 2008 show season: where we will be and when...

The advice and opinions contained within this monthly newsletter have been formed over more than 30 years of experience with the Hosta genus. We are constantly learning and refining that knowledge and would welcome any suggestions that readers of this newsletter would like to make so please [contact us](#).
